

### Registration Now Open for 2016 NASEO Annual Meeting in Providence, Rhode Island

#### NASEO Annual Meeting Celebrates 30 Years of State Energy Offices' Policy and Program Successes

NASEO will host its upcoming Annual Meeting on September 11 - 14 in Providence, Rhode Island. The meeting, which will be held in partnership with the Rhode Island Office of Energy Resources, will bring together State Energy Officials from every state and territory, Affiliate members, private sector energy leaders, and federal officials for discussions on state clean energy policy and program successes, challenges, and opportunities.

#### NASEO Board Appoints New Treasurer and Affiliate Member Co-Chair to Board of Directors

At the July 2016 NASEO Board of Directors meeting, the Board appointed and elected Dub Taylor (TX) to serve as NASEO Treasurer until the annual election to be held at the NASEO Annual Meeting. NASEO's Chair, Robert Jackson, appointed Meredith Tunick, Manager, Federal Government Affairs, The Bosch Group, as the new Affiliates' Co-Chair. Ms. Tunick joins Affiliate Co-Chair Anna Pavlova, Vice President, Government Relations, Schneider Electric.

#### NASEO Provides Summary and Additional State Resources on

## **Volkswagen Settlement**

In two related settlements, German automaker Volkswagen AG has agreed to spend up to \$14.7 billion to settle allegations of cheating emissions tests and deceiving customers. NASEO has developed a summary and additional resources that highlight opportunities for State Energy Offices.

## **NASEO Announces Updates to K-12 ENERGY STAR Schools Statistics and Infographics**

NASEO is pleased to announce the mid-year updates to its K-12 ENERGY STAR Schools statistics and infographics. As part of the NASEO ENERGY STAR Task Force, NASEO continues to track the number of K-12 Schools being certified across the country and published them on a quarterly basis.

## **Third-Party Entities Can Help States Administer Potential Clean Power Plan Implementation**

A new paper, "Use of 'Third-Party Entities' for State and Federal Implementation of the Clean Power Plan: Issues and Options," explores possible roles for private or public sector entities to help states implement components of the Clean Power Plan (should it be upheld by the courts).

## **ENERGY STAR Tools for Statewide K-12 Efficiency Programs**

On July 14, 2016, NASEO hosted the the fourth installment of a five-part webinar series to educate State Energy Offices on the availability and benefits of the U.S. Environmental Protection Agency's (EPA) ENERGY STAR Program. Specifically, this webinar showcased Kentucky's robust state-wide K-12 school energy efficiency program.

## **EPA Releases Draft Guidance to States on Regional Haze**

EPA has released its "Draft Guidance on Progress Tracking Metrics, Long-term Strategies, Reasonable Progress Goals and Other Requirements for Regional Haze State Implementation Plans for the Second Implementation Period" (resource page and fact sheet).

## **DOE's Better Buildings Initiative Expands Better Buildings Accelerators**

The U.S. Department of Energy's Better Buildings Initiative has expanded to engage leaders in a set of Better Buildings Accelerators designed to demonstrate specific innovative

policies and approaches, which upon successful demonstration will accelerate investment in energy efficiency.

## District of Columbia Releases Draft Climate Ready DC Plan

The District of Columbia's Department of Energy and Environment (DOEE) released its draft climate adaptation plan, Climate Ready DC, for community input. The plan identifies current and future impacts of a changing climate on the District's infrastructure, public facilities, and residents.

## Join NASEO at the Getting to Zero Forum

NASEO continues its leadership on Zero Energy Buildings by partnering on the 2016 Getting to Zero Forum. The Forum, first launched at NASEO's 2013 Annual Meeting, will take place October 12-14th in Denver, Colorado.

## AFFILIATES CORNER

### NASEO Welcomes Newest Affiliate Members

NASEO is pleased to announce its newest affiliates members, **CLEAResult** and the **Fuel Cell and Hydrogen Energy Association (FCHEA)**.

**CLEAResult**<sup>®</sup>

Fuel Cell &  
Hydrogen Energy  
Association

### EI Awards the 2016 Edison Award to AEP's Energized Reconductor Project Using CTC Global Technologies

The Edison Electric Institute (EEI), a NASEO Affiliate Member, recently awarded its most prestigious honor, the Edison Award to AEP's Energized Reconductor Project in the Lower Rio Grande Valley of Texas. The project used CTC Global's, a NASEO Affiliate Member as well, Aluminum Conductor Composite Core (ACCC) line technology.

**CTC GLOBAL**

## SSEB Releases 2016 Regional Energy Profiles

The Southern States Energy Board (SSEB) recently released its 2016 Regional Energy Profiles, a report that provides an overview of electricity generation and energy consumption within the SSEB region.
