

U.S. DEPARTMENT OF ENERGY

Director, Office of Integrated and International Energy Analysis
Energy Information Administration (EIA)

Position Number: [DOE-HQ-EI-15-00697-SES](#)

Location: Washington, DC

Compensation: \$121,956.00 to \$183,300.00

Grade: ES-0340-00

Closing Date: October 5, 2015

Overview:

The mission of the Energy Department is to ensure America's security and prosperity by addressing its energy, environmental and nuclear challenges through transformative science and technology solutions.

The U.S. Energy Information Administration (EIA) is the statistical and analytical agency within the U.S. Department of Energy. EIA is the nation's premier source of energy information and, by law, its data, analyses, and forecasts are independent of approval by any other officer or employee of the U.S. Government.

As the Director, Office of Integrated and International Energy Analysis, you will:

- Interacts with senior EIA staff, the Department of Energy Offices of International Affairs and Intelligence and Counterintelligence, the Department of State, the Executive Office of the President, other domestic and international energy agencies and the energy statistical component of foreign governments.
- Works with the Administrator, Deputy Administrator, and the other Assistant Administrators to manage and plan for integrated domestic and international analyses, contingency analyses, and other related international data collection and analysis activities.
- Determines priorities, anticipates and plans for future requests for such analysis, allocates resources and manages program activities among several functional teams.
- Ensures the effective and efficient functioning of the Office in meeting its goals and objectives.
